The Sound Choice for New Hammond Organs

Content Organs - Etude

The Etude series features three versions; all with similar specifications. The only difference is the size of the organs as it is available with 13, 27 and 30 note pedalboard.

The Etude has been designed as a functional instrument especially suited as a fine practice organ with a well balanced disposition, holding 18 speaking stops and three different organ characters.

The optional MAS or MLS system adds a dramatic dimension to the overall sound.
